YASS SOLDIERS CLUB LIMITED A.B.N. 44 000 988 152 PRESIDENTS REPORT

Your club had a profit of \$528,1281 this year. The capital expenditure figure was \$165,998, whilst the annual building improvements total was \$159,991 and finally the repairs and maintenance total amounted to \$73,771.

The benefits returned to members for the year amounted to \$362,028, up almost \$20,000 on last year

The capital expenditure spend is down considerably on the last year, however, this was deliberate, given the renovations are set to start this summer, it was decided to put a hold on anything that wasn't absolutely necessary. This decision has seen cash reserves increase by more than \$540,000.

For the year our donations totalled \$92,611 up by \$8,626 on last year.

We all should be extremely happy with our result this financial year.

This result would not have been achievable without the combination of hard work and your support during the last twelve months.

At this stage I would like to make special mention of our General Manager, Robert Packwood, he has made a tireless effort over the last twelve months to deliver this result, with the support of his team.

I would like to thank our staff for their efforts during the last twelve months, their efforts go towards making the Club an extremely pleasant place to visit, thank you.

Thanks, must also be issued to the team on the Board whose broad range of skills, experience and knowledge has only gone to help create an exceptional governing body, one I am very proud to be a part of. Of course, none of this would be possible without the ongoing support and patronage of you the member.

Thank you for your contribution, without you we would not be where we are today. In closing I would like to once again Thank You and assure you with your continual support your club will continue to grow from strength to strength.

We have a fantastic Club with awesome facilities, so please use it, and let's look forward to another positive year.

In our opinion, the financial report of Yass Soldiers' Club Limited is in accordance with the Corporations Act 2001, including:-

- (i) giving a true and fair view of the company's financial position as at 30th June, 2019 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards Reduced Disclosure Requirements and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 30 June 2019, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

The financial report is a general purpose report which has been prepared in accordance with the Accounting Standards - Reduced Disclosure Requirements of the Australian Accounting Standards Board and the Corporations Act 2001.

The following is a summary of the significant accounting policies adopted by the company in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Basis of Preparation

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets for which the fair value basis of accounting has been applied.

The depreciation rates for each class of assets are as follows:

	Depreciation Rate
Buildings	1.50%
Gaming Machines - Poker Machines	25% - 40%
Plant and equipment	15% - 40%

Land and buildings are shown at fair value based on either external valuations or valuation reviews undertaken by the directors to ensure that the carrying value of land and buildings does not exceed fair market values.

(c) Income Tax

The charge for current income tax expense is based on the profit for the year adjusted for any non-assessable or disallowed items and application of the mutuality principle. It is calculated using the tax rates that have been enacted by the balance sheet date.

(d) Inventory

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2019

NOTE 1 - STATEMENT OF ACCOUNTING POLICIES (CONTINUED)

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(h) Members' Undertaking

The Club was incorporated on 5th April, 1972 and is limited by guarantee. In the event of the company being wound up, every member undertakes to contribute an amount not exceeding Two Dollars(\$2) pursuant to Clause 4 of the Memorandum of Association.

(i) Statement of Cash Flows

For the purpose of the Statement of Cash Flows, cash includes cash on hand and in at call deposits with banks and financial institutions.

(j) Poker Machine Licenses

The Club operates a total of 94 poker machines. Twenty machine entitlements were acquired this in 2018 for a cost of \$580,000. Four poker machine entitlements were acquired in 2016 for a cost of \$75,217 and eight machine entitlements were acquired in 2015. The balance comprising 62 entitlements were acquired at no cost in years subsequent to when the club was established. As no consideration was originally paid, an intangible asset for these 62 licences on hand has not been recognised in the Club's statement of financial position.

Although there is an active market for poker machine entitlements, the market is highly regulated and as such this regulation significantly affects the ability to sell such an asset. If the regulator allows the sale of entitlements the estimated current market value is \$61,000 per lot of 3. Poker machine licenses are not amortised as they have indefinite useful lives.

Freehold land and buildings were revalued on 1 July, 2014 based on an independent valuation prepared by Peter Reardon. The property market in Yass is reasonably stable and revaluations are made every 4 to 5 years in accordance with accounting requirements. The Club is planning to undertake renovations. Plans have been prepared but no commitment for expenditure has been made at the date of this report. An independent valuation will be sought after completion of the renovation work.

NOTE 14 - RELATED PARTY TRANSACTIONS

The names of persons who were directors at any time during the year are set out in the Report of the Directors. No Director receives any remuneration from the Club, with the exception of an annual honorarium of \$5,000 paid to the Club President.

NOTE 15 - FINANCIAL INSTRUMENTS

(a) Financial Risk Management

The Club's activities expose it to a variety of financial risks including interest rate and liquidity risks. Due to the nature of the Club's investments and other financial instruments it is not exposed to significant financial risks.

(b) Fair Value

The carrying amounts and estimated fair values of financial assets and financial liabilities held at balance date are the same.

(c) Market Risk

The Club's financial assets which are subject to interest rate risk comprise cash on hand, at bank, on call and term deposits which are generally short term and are held to maturity. Therefore the Club does not consider that a change in interest rates would have a significant effect on profit or equity.

(d) Credit Risk

No credit risk exposure exists due to the nature of the Club's activities.

(e) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash or credit facilities to meet the operating requirements of the Club. This is managed through prudent cash flow management and maintenance of significant deposits with banks. The deposits held by the Club include term deposits and deposits at call with Australian banks earning interest at market rates.

The Club's financial liabilities at the reporting date are mainly due within 12 months and therefore discounting is not significant.
